FILMS

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed May 5, 2006 (certificate of mailing date May 2, 2006), to revive the above-identified application.

The petition under 37 CFR 1.137(b) is **GRANTED**.

This application became abandoned for failure to timely reply to the Notice to File Corrected Application Papers, mailed June 4, 2004, which set a two month shortened statutory period for reply. No extensions of time having been obtained pursuant to 37 CFR 1.136(a) and no reply being received in the Office, this application became abandoned on August 5, 2004. A Notice of Abandonment was mailed on February 16, 2005.

Applicant has submitted a proper reply in the form of replacement drawings, an acceptable statement of the unintentional nature of the delay in responding to the June 4, 2004 Notice, and the petition fee.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Since the statement contained in the petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the petition is being construed as the statement required by 37 CFR 1.137(b)(3). Petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the petition.

After the mailing of this decision, the file will be returned to the Office of Initial Patent Examination for further processing.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3230.

A handwritten signature in black ink, reading "Shirene Willis Brantley". The signature is written in a cursive, flowing style.
